Gateway Community College is expanding its applicant pool and openings are available starting with the Spring 2016 semester. Part-time day, evenings and Saturday college instructors are needed for teaching credit courses in the following areas:

- Mathematics
- Developmental Math

**DEGREE REQUIRED:** Master's Degree in Mathematics required.

**JOB DUTIES:** Under the supervision of the chairpersons of the College Advancement Studies Department, or the Math/Science department, the adjunct instructor must demonstrate the ability to respond to and work with diverse and varied student populations and be willing to teach developmental math courses each semester.

**PREFERRED QUALIFICATIONS:** Teaching experience along with excellent communications and interpersonal skills along with demonstrable knowledge of the current methods and practices for teaching developmental courses are preferred. Additional strong preference for college level teaching experience in all aspects of mathematics. Preferences would include the following: proof of quality teaching techniques, community college experience, knowledge of assessment techniques, computer literacy/technological innovation in teaching, the use of Blackboard class management system.

**SALARY:** $1,546 per credit.

**TO APPLY:** Submit a cover letter, resume and BOR Application to:

Gateway Community College
