Gateway Community College
CAREER & JOB PREPARATION WEEK

TUESDAY, MAY 18 | 12:00PM - 1:30PM
POWER SKILLS 101: THRIVING THROUGH UNCERTAINTY
This virtual professional development program provides an introduction to the power skills that employers are seeking and that college students need to thrive in today’s evolving workplace. Additionally, participants will gain clarity about their career goals and what it takes to pursue them. They will identify their strengths and weaknesses and align it with their career interests.
