ANNOUNCEMENT OF POSITION OPENING

POSITION: ASSISTANT PROFESSOR/PROGRAM COORDINATOR
COMPUTER ENGINEERING TECHNOLOGY
(Full-time, 10-month, tenure track position).

ANTICIPATED STARTING DATE: Fall 2019

MINIMUM QUALIFICATIONS: Master’s Degree in Computer Engineering or STEM-related Education.

Applicants who do not meet the minimum qualifications as stated are encouraged to put in writing precisely how their background and experience have prepared them for the responsibilities of this position and by providing appropriate references. Exceptions to the degree requirements may be made for compelling reasons.

DESIRED QUALIFICATIONS: Teaching experience. Experience using education enrollment and learning platforms such as Banner and Blackboard. Ability to communicate and work effectively with an ethnically and culturally diverse campus community, including the demonstrated ability to respond to and work with diverse and varied student populations.

PREFERRED QUALIFICATIONS: Experience with foundational Electrical and Electronics theory, Computer theory (both software and hardware), Analog and Digital communication systems, and related simulation programs including NI Multisim, NI LabVIEW, and MathWorks MATLAB. Experience with 3D printers/Additive Manufacturing, networking, information technology, programming, robotics, Arduino microcontrollers and Raspberry PI microprocessors. Community College instruction and curriculum design in Computer Engineering Technology and/or Electrical Engineering Technology.

RESPONSIBILITIES: Under the supervision of the chairperson of the Engineering Technology department this Assistant Professor/PC of Computer Engineering Technology is expected to teach thirty credit hours (subject to collective bargaining) per academic year primarily in computer engineering courses.

The Program Coordinator is also expected to recruit, advise and retain students in these areas, select appropriate part-time instructors, schedule the program courses and other such duties as may be appropriately assigned to a Program Coordinator.

Teaching schedule may include evenings and/or weekends. Additional responsibilities include the development of and participation in the following: advisement and registration for students, special college projects, working on new instructional techniques, course and program development, and other college and community service activities consistent with a strong commitment to the Community College Mission. This position requires the instructor to participate in commencement ceremonies, convocation activities, and special college meetings.

STARTING SALARY: $62,117 approximate annual, plus excellent State supported fringe benefits.
