(Participant, please initial) (For minor, parent/legal guardian, also initial) 2. Personal Responsibility I am voluntarily participating in the motorcycle rider education course. I agree to use due care and common sense when participating in this course and performing these activities. I agree to let the instructor/person in charge know if I see or feel that something is dangerous or that I am not able to safely do something. While an instructor may encourage me to attempt an activity, I understand that I am best able to judge whether I can do it safely. I should refuse to do an activity if I feel I cannot do it safely, even if it means that I cannot complete the course and will not receive reimbursement of the registration fee. The program strongly suggests that I obtain my own private insurance to cover any injuries I may sustain. (Participant, please initial) As the parent/legal guardian, I acknowledge that my mino understands this. (For minor, parent/legal guardian, also initial)
